PLEASE SEND IN RECIPES OR WE WILL HAVE TO SCRAP THE COOKBOOK PROJECT.

INTERNATIONAL ORDER OF BLUE GAVEL: Our Y-knot Chapter of Blue Gavel made a very generous donation to Turning Point Inc. which provides services to end domestic & sexual violence. Their web site is www.turningpointmacomb.org or 586-463-4430 for more information. They are in need of various items throughout the year. I will have copies in March for anyone interested in this Wish List.

Blue Gavel will be having a Summer Regatta on June 25, 26, & 27 at Great Lakes Steel Marina all are welcome. The last one we attended we had a ball, plenty to do with plenty of food drinks and entertainment was great. More information to come.

ABYA:

Spring Rendezvous is scheduled for March 12-14 at Frankenmuth.

NEW BUSINESS:

Cruise Director Guidelines

Outing Cancellation Policy: “ All cancellations must be conveyed to the Vice Commodore ten (10) days before the first scheduled day of the outing or the deposit will be forfeited. Any no-show will also forfeit their deposit. Emergency situations will be considered by the Board.”

GOOD OF THE ORDER: Holiday Card Charity winner will be picked in February.

COMMODORE'S BALL: It was a great night it had all the makings of an excellent Commodore's Ball. Good friends, families and guests having fun, great food & drinks, lively band, what more could be asked. Dan Falcanello Sr. won boner award for hot pants & someone from out of town won the dolphin award for her doggie paddling abilities while dealing with their dingy C. R. The Commodore's Ball Committee did a wonderful job. All the planning and hard work certainly paid off. Everyone who won a basket was delighted with their gift. Table decorations were very elegant and a great idea. Lots of compliments were heard. I did see some moves on the dance floor that were very remarkable. Thank you to all friends, guests and members that were there for supporting our club and our Commodore Sandy Wirgau.

Practice Party- Guests and members were having a good time. A lot of practicing going on, so everyone should be well prepared for the Ball. I'd say about 30-40 people attended. Everyone brought a dish and there was plenty as usual. Even Cooper had a good time. The Commodore's Ball committee worked finalizing things and to get all the t's crossed and the I's dotted for the ball. Thanks Mike and Renee for hosting this much needed party.

This Knotty Line is a little early this month because this Editor and Her Significant other are getting out of Dodge for the month of February. We will be joining some of the club's yearly snowbirds (TO SEE EXACTLY WHAT IT IS THEY DO DOWN THERE!) and to visit other friends in Florida. I will be taking lots of notes while down there to keep you well informed.
